03

After treatment is complete, you will receive a free set of retainers so your smile can shine on!

Frequently Asked Questions

Are clear aligners as effective as braces?

With digital treatment planning, Evenly's Invisalign treatment is more efficient and more accurate than braces.

What happens if an aligner is lost?

Since the increments between each set of aligners are small, if an aligner is lost, you can usually move on to the next aligner.

Are clear aligners more expensive?

The cost is the same as braces, but with better results and a more enjoyable experience. **Plus, flexible monthly payment options make getting started easy!**
